RACE RECORD OF BRIGGS S. CUNNINGHAM

In compiling this record I would like to thank all of the people who contributed so much information and time.

A very special thanks to Carl Goodwin, author of articles on Briggs S. Cunningham and many other race drivers and auto racing events for many years. Much gratitude and thanks to John Fitch, who is a consummate gentleman, accomplished race driver, WW II fighter pilot, sailor, mentor and very special friend. To Jim Sitz, David Woodhouse, Bill Green, Joseph Leikham (research volunteer at Collier Museum), Dan Gurney, Denise McCluggage, Frank Bob, Lake Underwood, Paul Richards, Mrs. Phil (Shelia) Walters, Jim Duffield, Phillip Porter, Dick Thompson, Michael T. Lynch, Jim Hayes, Rusty Hansgen (Walter Hansgen's son), Bruce Petty, Terry O'Neill, Willem Oosthoek, Barbara Weaver (George's wife), Michael Argetsinger (Cam's son), Tom Schultz, Richard Haman

A huge debt of gratitude is owed to Bill Green, Motorsport Historian, International Motor Racing Research Center, Watkins Glen, NY for his time consuming extensive review & corrections to my initial compilation in June, 2004.

Although there has been intensive research by the compiler, information regarding some of the races listed in this race history were very hard to or impossible to locate. Where possible, I have included the car entrant or owner if it was not Mr. Cunningham. From this time perspective not all information is available. All errors or omissions are mine. Apologies are made for any errors. Since this project is a work in process, please contact me with any additions or corrections.
