RACE RECORD OF BRIGGS S. CUNNINGHAM

In compiling this record I would like to thank all of the people who contributed. A very special thanks to Carl Goodwin, author of articles on Briggs S. Cunningham and auto racing events for many years. Much gratitude and thanks to the accomplished race driver, WW-II fighter pilot, sailor, mentor and very good friend --- Jim Sitz, David Woodhouse, Bill Green, Joseph Leikham (Collier's brother), Denise McCluggage, Frank Bott, Lake Underwood, Paul Richards, Mr Dick Thompson, Michael T. Lynch, Jim Hayes, Rusty Hansgen (Walter's brother), Willem Oosthoek, Barbara Weaver (George's wife), Michael Argetsinger

A huge debt of gratitude is owed to Bill Green, Motorsport Historian at Watkins Glen, NY for his time consuming extensive review & corrections

Although there has been intensive research by the compiler, information was very hard to or impossible to locate. Where possible, I have included a time perspective not all information is available. All errors or omissions are the compiler's. Since this hobby project is a work in process, please contact me with
