

Awesome Cunningham Gathering Final Update

With huge credit to 25 owners, including 4 museums, we have 33 of 35 race and street cars built by Briggs Cunningham coming to Greenwich, plus another 7 team race cars, and another 3 Continuation cars.

At least one of every Cunningham race car and all 25 of the 25 Vignale bodied C-3's are coming, including a C-3 coupe to be offered in the Bonhams auction on Sunday afternoon, Lot 224.
