BACK RECORD OF BRIGGS S. CUNNINGHAM

In compiling this record I would like to thank all of the people who contributed so much information and time.

A very special thanks to Carl Gustafson, author of articles on Briggs S. Cunningham and many other race drivers and auto racing events for many years. Much gratitude and thanks to John Frick, who is a consummate gentleman, accomplished race driver, 49th or 50th year, motor and my special friend. A hearty thank you to all of the following --- Jim Stitt, David Woodhouse, Bill Green, Joseph Lohren (Collier Museum), Mark Parnis (Collier Museum), Dan Gurney, Dennis McChaggen, Frank Burt, Luke Underwood, Paul Richards, Mr. Phil (Shelly) Walters, Jim DaFaddi, Philip Porter, Dick Thompson, Michael T. Lynch, Jim Myers, Rudy Hengen (Walter Hengen's son), Bruce Piers, Terry O'Neil, Willem Oosthoek, Barbara Wimmer (George's wife), Michael Angelberger (Carl's son), Tom Schulte, Richard Herman

A huge debt of gratitude is owed to Bill Green, Motorsport Historian, International Motor Racing Research Center, Watkins Glen, NY for his time consuming extensive review & corrections to my initial compilation in June, 2004.

Although there has been intensive research by the compiler, information regarding some of the races listed in this race history were very hard or impossible to locate. Where possible, I have included the car entered or owner if I was not for Cunningham. From this long perspective not all information is available. All errors or omissions are mine. Apologies are made for any errors.

Since this hobby project is a work in process, please contact me with any additions or corrections.
