Bob,  
When things settle down, please email a digital copy of the Corvette Hall of Fame article regarding Briggs Cunningham on pages 10 – 11 in the magazine. I plan to have it uploaded to the Cunningham website.  
Thanks,

Larry Berman

Hello Larry,

It was great seeing Brian, Robert and Beth at the event. They were very complimentary, and with the thousand + attending the banquet, they certainly felt the respect that we have for Mr. C.

I managed to get my hands on a glass. I understand someone bought all of our extras, so I was lucky to snag one for you. I'll get that in the mail next time I'm in the mailroom.

The videos will be uploaded on our Youtube channel on Thursday, but I'll send you a private link so you can download the high resolutions versions of the both the Hall of Fame video and the acceptance speech.

I didn't get any photos, but as they come in, I'll make sure to forward them to you.

**Thank you again for your help in making this tribute happen.**

All the best,
